

CORPORATE SANCTIONS IN RUSSIA

Rethinking corporate political responsibility against the backdrop of the war in Ukraine

Since the 24th of February 2022, when Russia, on the orders of Vladimir Putin, began a large-scale military attack on Ukraine, we have been witnessing unprecedented corporate sanctions, with more than 750 foreign corporations from different industries withdrawing from Russia. Our panellists will look at these sanctions through the lens of corporate political responsibility. The panel discussion will be followed by a Q&A session. The panel will be moderated by Sofia Villo, Aalto University, Finland and Natalya Turkina, RMIT, Australia.

Join us on the 19th of May, 2-4pm GMT+3
