## Professional Development Workshop

### *“Entrepreneurship, Inequality, and Society: Implications for Organizations and Policy”*

**Date and Time:** August 5th, Saturday 12:30 – 2:00 pm

**Location:** Hynes Convention Center, room 201

**Sponsors:** ENT (primary), STR, OMT

This PDW aims to spur research on how entrepreneurship shapes society far beyond the spawning and success of individual new ventures – it is shaping how we deal with problems such as climate change, income inequality, family dynamics, work-life balance, and policy. This topic is the focus of an upcoming special issue of *Academy of Management Perspectives*. Panelists will present for 30 minutes, followed by 60 minutes of roundtable discussions around aforementioned topics.
