

Because of the Covid-19 pandemic, our annual Strategy Symposium on Emerging Markets has been postponed. Now we are back! The **10th Strategy Symposium on Emerging Markets** will be hosted in person by the Jones Graduate School of Business, Rice University, on May 12-13, 2022. The purpose of this symposium is to have active scholars, from both the US and abroad, share interesting research on strategy issues related to emerging markets. We hope this symposium will advance strategy research on this important topic as well as give scholars an opportunity to connect and network with the related community of faculty and researchers interested in this area.
